What Cookies Does Anthropic Use?

Updated over a month ago

The following tables provide brief descriptions of the cookies used on Anthropic websites.

These tables may be updated from time to time. Please take a look at our Cookie Policy if you'd like more information on how and why we use cookies.

Necessary Cookies
Necessary cookies are used to provide basic functionality of our Services and cannot be refused - for example: authentication, site preferences (including cookie opt-out preference), or security.

ln_or	Analytics	.anthropic.com, claude.ai	LinkedIn (more info)	1 day

Marketing Cookies

Marketing cookies are not necessary to deliver our Services, but they do help us market our Services more effectively to users that we, our service providers, and our business partners believe may be interested in using our Services. They also help provide us with aggregated reporting and help us know when marketing content has been shown to you. You can control how and when your personal data is shared or used by clicking here or enabling global privacy controls.
